INSTRUCTIONS: The purpose of this test is to certify officials in the Southeastern LSC as well as United States Swimming. Initial certification at any level will be for one year. Recertification will be for two years. Please read the following instructions carefully.

- 1. Answer the questions of the USA test and list them on the provided answer sheet with the correct references.**
- 2. Make a copy of the answer sheet and send it to a member of the officials committee in your area. They are listed on the website.**
- 3. Make sure the cover sheet is sent as well.**
- 4. Apply for USA Swimming National Membership with Tom Healey through your club membership chairman. All Meet Directors, Officials and Safety Marshals must be registered before working in an official capacity on deck.**
- 5. The apprenticeship phase of training at all levels should occur after taking the test or attending a clinic or both. Please check the Officials requirements on the Officials page on the website.**
